

Midstream Oil and Gas Congress by BGS Group

March 26-27, 2018 are the dates of international, closed-door Congress in Copenhagen. It gathers directors and technical specialists from oil&gas companies, EPCs, fleet and pipelines owners, shipping companies, terminals and ports in the format of Congress. The event comprises a business program and an exhibition area with the limited competition – only one company for each segment.

Among already confirmed companies are KBR, Engie, TANAP Doğalgaz İletim A.Ş., Shell Projects & Technology, Baltic Connector Oy, innogy, BHGE, Fluor, JGC and others.

Examples of job titles to attend: President and CEO, Project Manager on Pipe/Soil Integrity, Senior Engineer, Business Development & Sales Director and others.

Topics to be discussed: Oil and Natural Gas Shipping via tankers, Oil and Natural Gas Pipelines Transportation, Oil and Gas Storage, Pipelines Construction, Maintenance and Repairs and others.
